Illegally dumped wastes are materials that are dumped to avoid disposal fees or the time and effort required for proper disposal.

These materials include:

- ◆ Construction and demolition waste—drywall, roofing shingles, lumber, bricks, concrete and siding.
- ◆ Abandoned automobiles, auto parts and scrap tires.
- ◆ Appliances or white goods.
- ◆ Furniture
- ◆ Yard waste
- ◆ Household trash
- ◆ Medical Waste

When calling to report illegal dumping, remember to do the following:

- ◆ Identify location of illegal dumping, including major cross street.
- ◆ Describe what is at the dumpsite.
- ◆ Try to identify the person or company committing the illegal dumping.

Do not dig through site or confront illegal dumpers!
